

Hey friend! Welcome to my backyard! So glad you could come today! Make yourself at home!

We have some burgers and veggies on the grill, and I just brought out a pitcher of my famous lemonade! Feel free to check out my garden. The flowers are in bloom and the vegetables are coming along nicely! I can't take all the credit for that, though; I had some amazing helpers in the garden this year! I'm sure they would love to come help you in your backyard, too!

We also have some backyard games for you to enjoy. Wait 'til you see Rimmie Lou's silly "Treat Toss"! I wonder who can get the most treats in the net! Hang out and have fun, and later on we'll fire up the fire pit and make s'mores, and play "20 Questions"!

Stay as long as you like! This is one of my very favorite places to be, and I'm so happy to share it with one of my very favorite people-- You!

xoxo
Grace
