

"Treat Cones" Ornaments (Full Size)

1. Cut out shapes.
2. Fold it into a 3-sided "cone", tuck in the tab, and tape it.
3. Punch a small hole near the top of one of the rounded edges.
(Helpful Hint: This will end up being the back of the ornament.)
4. (Optional) Decorate your treat cone with glitter spray or other decorations. Allow spray or glue to dry thoroughly.
5. Add a ribbon or string through the hole.
6. Fill cone with mini treats.
7. Hang on your tree OR place one at each dinner table setting
